### **Parties & Weddings**

#### **A memorable setting for your special occasion**

**San Martino is the perfect location for your party, wedding reception or simply a friends reunion.**

At San Martino it is possible for up to 60-70 guests to dine inside, higher numbers could be accommodated on the terraces or in the gardens. The properties can accommodate up to 24 people within the farm and many more can be accommodated in local hotels or apartments within walking distance or a few minutes drive.

The setting is unforgettable. San Martino has views across the whole of Chianti to the Appenine Mountains. Aperitifs and hors d'heuvres can be served to your guests around our stunning infinity pool. Drinks can be served in the poolside bar before you drift inside to our dining room which is situated in the old stables and still features the original feeding troughs and a beautiful brick ceiling.

**Local Churches and the beautiful Town hall in San Gimignano** are available for non resident weddings.

**Travel** is simple with Pisa and Florence less than an hour from the property and easily reached from many airports in the UK and Europe.

**Catering** can be offered by ones of our 3 local chefs and their teams. Anything is possible from a buffet and barbeque to a seven course meal.

**Wines** can be bought from local wineries at a price to suit your budget and tastes.

**Do contact us with any questions.**
